## An Invitation to Help KIDS

Santa's Children Christmas Village (SCCV), based in Macedonia, Iowa, is a nonprofit organization serving medically fragile children and children in crisis in a variety of ways on a local, regional and national level. SCCV has reached a critical growth juncture where it must build its capacity to serve additional KIDS by adding facilities and other necessary organizational components to effectively deliver its programs.

In its nearly 13-year existence, SCCV has served thousands of children and their families through numerous programs. Beginning with a Santa Visit Program in 1998, Santa and his Elves have touched the lives of tens of thousands children including their families, friends, child life specialists, caregivers, firemen and others. These year-round visits provide children with gifts, fun, food and hospitality in their homes, the hospital or at Santa's Village in Macedonia.

To assist in covering the costs of existing programs, the expansion of the Day Camp and Garden Program into Santa's Camp and Wonderland, SCCV is respectfully requesting funding of \$5, \$10, \$25, \$50, \$100, \$1,000 or \$\_\_\_\_\_. Sponsorships are needed to expand the KIDS 5 to 1 Program where donations to SCCV will be matched five times (i.e. \$100 becomes \$500) in new clothing, toys, books, shoes, etc. going to local food pantries and other shelter organizations in **your** Community. This match will be provided up to \$500,000 in new product from the Santa's Village KIDS Program. Sponsors will also be recognized at Santa's Village and in publications. Santa's Garden Camp Program was started last year by planting a 2 acre garden producing over 10,000 pounds of vegetables which were distributed to those in need through individuals, area food pantries and other shelter organizations.

Your organization may also want to set up coin collection canisters throughout your Community to collect "***Change for Your Community***" where all funds donated will be matched five times in new books and clothing from SCCV. Find out more by visiting [www.santascampandwonderland.org](http://www.santascampandwonderland.org) for additional information about Santa's Children and its programs to help KIDS. Recognition of your donation will be announced in press releases within your area as well as a label (see below) placed in each book or clothing item.

Sincerely,
